

LPN for Long-Term Care Facility

Friends Home in Kennett, a senior supportive living community in Kennett Square, PA, is seeking a Licensed Practical Nurse (LPN) on a part-time basis (20 - 24 hours/week) for its Personal Care facility. If you enjoy working in a family-like atmosphere where the focus is on resident care, this is the place for you!

General Responsibilities:

- Conducts Resident Assessments
- Supervises personal care staff (PCAs)
- Directs and oversees direct care of residents
- Insures that care is provided to residents in accordance with Friends Home mission policies and procedures, the Departments of Aging and Human Services regulations, the Pennsylvania State Board of Nursing, and other regulatory agencies and best practices in personal care.
- Assures required paperwork, documentation and medication procedures are completed
- Works with other Departments within Friends Home such as Community Life and Dining Services to insure resident needs and requirements are met
- Communicates with residents, family members and physicians to insure care needs are met

Requirements:

- Valid LPN or RN license required (PA)
- 2-3 years Long-Term Care experience
- Familiarity with DHS Regulations
- Ability to work one weekday, one weekday evening and one weekend day each week
- Ability to perform resident assessments
- Excellent interpersonal skills
- Ability to supervise Personal Care Assistants in all aspects of resident care and medication administration
- A desire to have a positive impact in the lives of our residents

Location:

This job is open at the following location:

Kennett Square- 147 West State Street - Kennett Square, Pennsylvania, 19348

If you are qualified and interested in applying for this position, please send a resume and cover letter via email to: hr@fhkennett.org
