

FRIENDS HOME IN KENNETT COVID UPDATE

A Personal Care resident who was admitted to the hospital for an unrelated issue tested positive for COVID today. Both Linden Hall and the Personal Care are on Red Status until further notice. All residents on both sides were tested today and staff testing is in process. All doctor's appointments have been canceled. All residents will be staying in their rooms for meals and activities until testing results come back and we can determine the extent of the outbreak. We will immediately notify any staff or resident who tests positive. The plan is to retest weekly until we have 14 days with no positive cases. Communication will be updated as we get more information.
