

# **FRIENDS HOME IN KENNETT COVID UPDATE**

**November 17, 2020**

Chester County positivity rate is now 6.3% as of November 11.

This is a 1.4% increase since 11/4/20.

Following DOH and CMS guidelines that if a community's county is over 5% positivity, indoor visits should be discouraged. If families/friends do want a visit they must have a negative COVID test within 72 hours of scheduled visits. There are no exceptions to this requirement.

Please call me with any questions.
