COVID UPDATE 1/12/2021**

WE HAVE OUR VACCINATION CLINIC DATES!!!!

January 27, 11-5

February 17, 11-5

March 10, 11-5

I wanted to get this blast out to everyone as soon as possible. I know we have all been anxiously awaiting this news. I do not have vaccine details or FH policy details. They will be finalized in the next few days. I will also be providing extensive education and vaccination Q&A for everyone. I just wanted to share this positive news as soon as I received it.

Thank you to everyone who reached out to the government and licensing agencies. Your support is greatly appreciated.
