

**FRIENDS HOME IN KENNETT
COVID UPDATE 2.12.21**

Linden Hall is RED

Friends Home is GREEN (pending all test results)

The COVID tests done on Wednesday 2/10 resulted in one positive employee in Linden Hall. Not all of the tests results are in from Friends Home, so this update may be modified. The employee is asymptomatic and will be quarantined per DOH guidelines.

Indoor visits for Linden Hall are canceled until further notice.

We will be retesting all LH residents and staff on Monday 2.15. Linden Hall will be tested twice a week until all tests return negative. The vaccination clinic is still scheduled for Wednesday 2.17.

I am looking forward to the day these updates are no longer needed.

Thank you and stay safe.

Christine McDonald
