

**FRIENDS HOME IN KENNETT
COVID UPDATE 9/23/2021**

BOTH LINDEN HALL AND FRIENDS HOME ARE GREEN

Vaccine Mandate Information

In order to ensure compliance with the CMS' and Federal Government's vaccine requirements for healthcare facilities, Friends Home in Kennett is issuing our own vaccine mandate. All staff must be vaccinated by 11/15/21 unless a medical or religious exemption has been granted.

At this time, all unvaccinated staff must be tested twice a week due to the high transmission rate of Chester County. Friends Home will be holding all staff and supervisors accountable to ensure this biweekly testing occurs during this transition period.

All staff is required to wear a mask and Friends Home has the ability to test all staff and residents immediately if an outbreak were to occur.

Friends Home is committed to all our staff and residents' health and safety. With the Delta variant strengthening, we are committed to doing everything possible to keep our residents, and those who care for them, safe.

Please reach out to me with any questions or concerns.

Thank you!
