

**FRIENDS HOME IN KENNETT  
COVID UPDATE 12/23/2021**

Unfortunately, a community life staff member tested positive today for COVID.

All residents and staff with any close contact with this employee have been tested and are negative. We will continue to test these residents and staff daily for 5 days to ensure their health and safety. All community life events have been canceled until Monday.

Residents may continue to have visitors and go out with family and friends.

I will provide additional information if any changes occur throughout the weekend.

Please call with any questions or concerns.

**Thank you!**

Christine McDonald  
Executive Director
