

Memorial and Honoraria gifts

There may be no better way to remember friends who had a connection to Friends Home than with a memorial gift.

We also receive a number of honoraria gifts – remembering those who we admire and are still going strong.

Many people have found that these gifts to Friends Home are a suitable way to remember or honor a loved one, and to highlight their relationship to Friends Home, and to help ensure that Friends Home continues on into the future.

We publish the names of both memorial gifts and honoraria once a year, with both the donor's name and the named person.
